Re: Property Self-Inspection program

The insurance office offers a 5% discount on your property and liability insurance premiums at renewal. The way to earn this discount for your parish is to complete the self-inspection forms each quarter. You can find the form on our web page at insurance.dio.org/insurance/property&liability.

The self-inspection form assists you in keeping your facility in good condition thereby helping to reduce injuries, minimize damage to property and lower premiums to parishes in subsequent years. Our insurance programs have what is called a self-insured retention (SIR) which means the diocese insurance program pays a deductible on each claim. The deductibles are \$100,000 on property, \$50,000 on liability and auto claims and \$200,000 on workers compensation claims. We pay these amounts before our excess insurance carriers start to pay on claims. A parish has a \$1,500 deductible on property claims.

Send the completed forms to:

Fax: (314) 892-8998
Email: diospfld@higstl.com

I recommend you submit your completed forms in August, November, February and May. We need the fourth report by May 15 in order to apply the credits on the renewal billing in July.

If you already participate, I thank you. To all others I ask you to consider participating. I usually recommend you ask someone on your finance council to take ownership of this initiative as it potentially saves you money on your property and liability insurance premiums.

Be safe and God bless,
